1. All rebates are shown in US dollars
2. PacketShapers must be traded in for a higher PacketShaper model number with the same link speed or faster. There are two exceptions: PS 8500 may be traded-in for PS 7500 (same link speed or higher); and PS 4500 may be traded-in for PS 3500 (same link speed or higher)
3. Rebates shown in this document are effective July 10, 2007.
4. TRADE UP REBATE CAN NOT BE COMBINED WITH ANY OTHER PROMOTIONS.

Packeteer reserves the right to change or terminate this program with thirty (30) days notice.
